The Secretary
Prajaparishat Sanam

Sub:— Taking over the Administration of the High School at Sander by the District Board Bellary.

Sir,

It is an unhappy thing that you have post-poned the Taking over the Administration of the High School at Sander. This most important department requires your Kind attention.

2 The past and the present management lacks many improvements. There are only 8 teachers of whom two trained graduates 2 untrained grade-I one Second Grade teacher one Physical Instructor (He is an old man) one Drawing Teacher and one Kannada teacher. There are no apperatus and appliances. So it cannot thrive well.

3 The President District Board Bellary is awaiting orders from the Government to take over the managment

of this School. The copy of the letter from the President is herewith enclosed.

Therefore I request you to send orders to the President to take the Management of this High School without delay

half of the net cost may also be estimated taking into account the compensation that will have to be paid to the Dt Board towards the loss of fee income. The Director is requested to treat the reference as specially urgent as it is necessary to decide the question of future management of the school before the commencement of the next school year

2. The attention of the DPI is in this connection invited to his letter no. 1412 K-3/49 dt 17.11.49 in regard to the opening of secondary schools for boys by taking over an existing Municipal or District Board School with a view to satisfy the requirements of the University in regard to qualifications for lecturers in Training Colleges and he is requested to report whether instead of taking over a school under a local body for the purpose, the high school at Sandur and the schools in other merged areas cannot be continued under Govt management for the purpose. The Director is also requested to report what is the medium of instruction in the school at Sandur Telugu or Kannada.

With reference to para 1 of the Government Memo referred to above I wish to state that subsequent to the submission of the Director's letter R.C. 661-E.1.49 dated 11-7-1949 the amount of teaching grant payable to the school (if it were to be taken over by the District Board Bellary) was reported to Government in Director's letter R.C. 661-E.1-49 dated 9-9-1949 as Rs.13,364/- per annum (on full cost basis). A copy of the letter R.C. 361 A.49. dated 28-8-1949 of the District Educational Officer, Bellary furnishing the details in regard to the amount of teaching grant referred to, is enclosed herewith. This letter furnishes also the details regarding the Non-Recurring items of expenditure required for the High School.

2. I wish also to point out in this connection that provision was suggested for the above - both for recurring and non-recurring items of expenditure- in part II of the Budget Estimate for 1950-51 under the head "Deposits and Advances- Deposits not bearing interest- Other deposit Accounts- Other Accounts". and this fact was also intimated to Government in Director's letter R.C. 661-E.1.49 dated 9-9-1949.

P 58 of (Y)

The savings to Government after the period of three years will be as follows:-

	Rs.
Teaching grant payable to the District Board on full net cost basis as estimated now (including compensation towards loss of income	13,364/-
-do- -do- payable on half net cost basis (including compensation amount).	7,692/-
Rs.	5,672/-

Thus, there will be savings of Rs.5,672 after three years if the District Board is paid teaching grant on half-net cost basis.

3. A complete estimate of recurring and non-recurring cost to Government if the school is maintained by Government is furnished below as required:-

4. As regards the queries raised in para 2 of the Memo I wish to state that the suggestion made in my letter R.O.C. 1412 K3/49 dated 16-9-49 was to take over the best schools managed by the local bodies, with a view to minimise expenditure from provincial funds on buildings, equipment etc., In regard to the High School at Sandur, the present educational system has not been introduced therein and the school lacks suitable accommodation and equipment. It may therefore take some time for the school to come up to the level of other local body schools in the province. The Sanjamala High School at Banganapalle which has been transferred to the District Board, Kurnool also requires new buildings. In regard to the Brihadambal High School at

Separate file

Pudukottai, I have already recommended that if the proposal to establish a Government High School for Boys in each district is approved by Government, the Brihadambal High School at Pudukottai may be retained under Government management -vide- my letter R.C. 823 K2/48 dated 22-10-1949. I have no objection to retain the schools in merged areas under Government management provided funds for capital expenditure on buildings in the case of High Schools at Sandur and Banganapalle are provided.

5. The medium$ of instruction$ in the High School at Sandur is English from classes 7 to 11 and ~~Kanarese~~ Kannada in classes 5 and 6.

Yours faithfully,

To The Director of Public Instruction,

MADRAS.

S I R,

We, the staff of the Vidyamandir High School (former State High School now under Government control) Sandur beg to submit the following facts regarding our absorption, for favour of your most kind and sympathetic consideration.

We learn from the Bellary District Board Authorities, that Government propose to transfer the management of this High School to the District Board, Bellary, under the terms specified in the Government Memo dated 10th April to the Board. W.P. 13-15 ante W.P. 13-15 ante In this memo, among other things, Government have stated (1) that the staff of this institution would be absorbed into the Board Service (2) that the salaries of the staff would be refixed from that date of the Board taking over the School.

Elder (B) X

We are greatly shocked and very much perturbed to find ourselves let down by the Government and transferred to the District Board Service under conditions which are most disadvantageous to us and which are entirely different from those formulated in G.O.No.855 (Public) Political, dated 26-8-1949 as amended later, for the absorption of the services in the merged States of Pudukkotta, Banganapalle and Sandur. Teachers of this School are as much State Servants as those in other Departments of the State and therefore claim a similar treatment in the matter of absorption.

Among the Sandur State employees, the School teachers seem to have been singled out for a different treatment; because, those in other Departments of the State are being absorbed into the Madras Service

service in their respective Departments, while many others thereby were granted very liberal pensions of more than 75% of their pay under the Ruler's Agreement. Thus, it is the School Teachers alone that are being deprived of the benefit of Government Service and given over to the District Board, Bellary. The Madras Government has an Educational Department too and would it be impossible for the Government to absorb a few qualified hands of this institution in these days when there is great dearth of qualified teachers according to Governments own information?

Teachers of this School have served the State and the Institution most faithfully and loyally during the long years of their service, all through which they drew a scanty pay. Provident Fund Scheme and time scales were introduced in the State only 5 or 6 years ago and many teachers who are now at the fag-end of their services do not at all get any benefit from them. Now, if the School is handed over to the District Board, these teachers get neither pension nor Provident Fund when they retire shortly and will have nothing to fall back upon in their old age.

If, however, for reasons of policy the Government decides to transfer the School to the District Board management, we earnestly request the Government not to sacrifice the interests of the poor teachers for no fault of theirs. Even if we serve in the Board our services may be made pensionable, under Article 309 of the Civil Service Regulation which runs as follows:-

"ALL THE MEMBERS OF THE PENSIONABLE ESTABLISHMENT OF A GOVERNMENT SCHOOL, EMPLOYED IN SUCH SCHOOL AT THE TIME OF ITS TRANSFER TO MUNICIPAL COUNCILS WILL BE HELD TO BE STILL RENDERING SERVICE QUALIFYING FOR PENSION UNDER GOVERNMENT UNDER ARTICLE 804 (C. S. R.)

----Contd.

Chapter XLII Service under local Funds-Section 1 Pensions.

We therefore request that G.O.No.855 (Public) Political dated 26-3-1949 on the subject of absorption andthe subsequent amendments on it, be applied to the teachers of the Vidyamandir High School in letter and spirit. According to this G.O. we request that the following conditions be granted to us, even under the District Board.

1. that teachers who have put in more than 10 years service under the State be granted half-pension.
2. that teachers who have put in less than 10 years of service under the State, be governed by the New Pension ~~of~~ & Rules of the Madras Government.
3. that all increments due in the State scale be granted upto 31-12-1948 and pay of the teachers be refixed from 1-1-1949, on Govern -ment scales, giving weightage for past service at the rate of 1 increment in the new scale for every 4 years of service, subject to to a maximum of 4 such increments (as prescribed in para 5 of the G.O.No.855 (Public) Political dated 26-3-1949.
4. that all unqualified members be given 2 years time to qualify themselves for the pos s into which they are absorbed.
5. that unless it be for practical reasons, teachers especially those with long service be allowed to continue in the same schoo till they retire.
6. that fully qualified permanent teachers be granted a lien on Government service(under Article 111(b) of the Fundamental Rules) in their respective cadres and be taken back

back into Government service as and when the District Board is able to get hands to fill the vacancies caused by such transfers.

7. that in no case should the conditions of service after absorption are less advantageous than those under which the teachers were working in the State.

We are making this request not in any out of the-way fasion, but in strict adherence to the declared policy of the Government on the subject.

We therefore earnestly pray and trust that you will give your most kind and sympathetic considera-tion to our request and recommend to the Government the just and legitimate claims of the teachers of this institution.

We remain
Sir,
Your most faithfully,

Sir,

Subject:- Schools- Secondary- Vidyamandir-Sandur- Future management.

Ref:- Government Memorandum No. 5829-B/50-3 Edn., dated 10-4-1950.

I am herewith submitting a copy of the Board's Resolution No.58 passed at its meeting held on 15-5-1950 agreeing to take up the management of the Vidyamandir, Sandur.

2. The Board while agreeing to the conditions specified in the above Memorandum requests that a non-recurring lump-sum Grant of Rs.40,000/- may be paid this year. This amount of Rs. 40,000/- is immediately required to fit up the doors and windows to one of the wings, to complete the construction of of the central hall which is raised upto the basement, to level the Play-ground, towards providing the Library, Laboratory, and for the purchase of initial equipment and appliances necessary for the introduction of the Reorganised courses of Secondary Education. The request is made with the intention to see that the institution is brought into an efficient condition so that the Public of Sandur might not feel that they were better off under the old State regime which is in accordance with the general policy of the Government. As the special request for the non-recurring lump-sum Grant of Rs.40,000/- to meet the urgent requirements of the school, an assurance by the Government to that effect is solicited when the school is transferred to the management by the Board.

3. The favour of early orders is requested.

orders since based in G.O. 1968 Edn 8-7-50 M 27-284 of (D)

With reference to the orders issued in Government Memo No. 980/50-1 Public (Political) Department dated 16-2-1950 and G.O. Ms. No. 675 Edn. dated 2-3-1950 the District Educational Officer, Bellary has taken charge of the Vidyamandir High school, Sandur and the school has to be considered as a Government Institution until its future management is finally settled. The school is now working with seven sections, one in each of Class V and Forms I to VI. The staff now employed consists of the following:-

(1) Four Graduate teachers including the Headmaster
(2) One Secondary Grade teacher.
(3) Two Kannada Pandits.
(4) One Drawing Master.
(5) One Physical Training Instructor.

The school is now understaffed and therefore the following additional staff have to be employed for the school:-

X (1) Three Secondary Grade Assistants. Two (vide p2 infra)
(2) One Hindi Pandit.
(3) One craft Instructor. and
(4) One clerk

For Forms IV to VII there should be three L.T., Assistants excluding the Headmaster and therefore the existing four graduate teachers on the staff including the Headmaster are necessary. For the four sections in class V and Forms I to III four secondary grade teachers are necessary, while there is only one at present. Three more secondary grade teachers are therefore quote necessary. One Hindi Pandit, one craft Instructor and one Clerk are also necessary for the school. I therefore request that Government may kindly sanction the employment of the additional staff mentioned above in the Vidyamandir High school Sandur on the local body scales of pay.

2. The Headmaster of the school has suggested that in view of the limited accommodation available, Class V in the school may be closed down with effect from the current school year. The District Educational Officer reports that the local Board Elementary school was hitherto having only Classes I to IV and that he has requested the President, District Board, Bellary to open class V in the school during the current school year. He therefore recommends the closure of Class V

in the Vidyamandir High school. Sanction may therefore be accorded for the closure of Class V in the school with effect from the current school year. If Class V is closed only two additional secondary grade teachers need be employed for the school, instead of three as recommended in para one above.

3. I request the favour of very early orders in the matter.

Yours faithfully,

Ramachandra Iyer

(Z)/M 27-28 of With reference to G.O. No. 1968 dated 8-7-'50 quoted above and with reference to proceedings Rc.No.1457-G2/49 dated 15-7-'50 of the Director of Public Instruction, Madras, I have to report that I have taken charge of the staff and equipment of the Vidyamandir School from the Head Master of the Vidyamandir School Sandur on 1-8-'50 Fore-Noon. In his Rc.No.1361.A/49 dated 24-7-'50 of the District Educational Officer, Bellary instructed the Head Master Vidyamandir Sandur to hand over the charge of the school with the Building, Equipment Etc., on the Fore-Noon of 1-8-'50. It was expected and inferred from the reference of the District Educational Officer, Bellary that he took over the charge of the building from the Building Committee when the management was taken over by the Government.

2 The Head master of the Vidyamandir School Sandur handed over the charge of the staff and equipment only but he did not hand over the charge of the Building with its site stating that the school building has to be handed over by the Secretary of the Building Committee (Please Vide his letters - copies enclosed.) 3 The first main condition under which the transfer of management was ordered by the Government has not been complied with. Condition (i) in p 2 of (Z)

4 The District Board Educational Officer, Bellary who was deputed by me to take charge of the school as per the terms of Government Order quoted above contacted the Secretary of the Building Committee Sandur on 1-8-'50; giving him a true copy of (Z)

of the Government order referred to above and also on 2-8-'50. The Secretary informed him in his interview that he had to convene a meeting of the General Body of the Building Committee and get a resolution to that effect before handing over charge and that he would intimate him the date on which he would hand over the building with ~~the~~ its site materials and cash now with the Secretary.

5. I request you to kindly take steps to see that the building with its site building materials and cash, the Committee may have with it, are handed over to me at an early date. An early reply is requested.

Subject: Education - Secondary - Vidyamandir Board High School, Sandur - Staff Fixation of pay.

On their Memo. No. 5829 B/50-5 Education dated 12-6-1950, Governmennt have requested the Director to fix the pay of the teachers in the Vidyamandir High School, Sandur in the revised scales of pay applicable to teachers employed under local bodies with effect from 1-9-49 after allowing them weightage for post service in the state. Final orders, regarding the transfer of management of the school were not issued by Government, by then. Subsequently, Government have permitted the District Board, Bellary to take over the management of the school in their order No. 1968 Education dated 8-7-1950. Since the school was therefore being taken over by the District Board, the President, District Board was requested in this office Rc. 1457-G2/49 dated 15-7-1950 to take action to fix the pay of the staff in the school and intimate the fact to this office. Government, also were informed of the fact in this office Rc. 1457-G2/49 dated 15-7-1950. Since no report was received from the President, District Board he was reminded in the matter and the President, District Board has replied in his Rc. No. 3323/50 B2 dated 28-10-1950 by stating that the question of fixation of pay to the staff of the school will be taken up after taking possession of the school building, materials etc., from the Secretary, Educational Buildings Association. The President, District Board was thereupon addressed to clarify the position stating why this question should wait till the building is taken over. He now states that the fixation of the pay of the staff in the school may be done by the Director himself since it was the Director that was authorized by Government in their Memo. No. 5829-B/50 Education dated 12-6-50 to fix the pay of the staff in this school. The Memorandum was issued at a time when the school was under the control of the District Educational Officer. But now it is under District Board control.

As already stated above, it was because the school was passing on to the District Board that he was addressed to take action to fix the pay of the staff in this school. If the President, District Board, thought that it was not for him to do this, he could have intimated so to the Director then itself. When schools are taken over by Local Bodies, they themselves do the fixation of pay of the staff. I am therefore bringing the position to the notice of Government, and request that they may be pleased to advise the President, District Board to fix the pay of the staff in the school, if necessary, in consultation with the Examiner of Local Fund Accounts, Madras.

Yours faithfully,

for Director of Public Instruction.

The President District Board, Kurnool reports that when the Secondary Schools under the defunct Banganapalle State were taken over by the District Board, Kurnool, the transfer of the buildings etc., of the school to the District Board were effected only on paper arrangements and not by any stamped or registered deed. These schools were taken over by the District Board, Kurnool with reference to G.O.No.1727 Education dated 9-7-48. Usually, while approving transfer of arrangements of Secondary Schools under private managements to the Local bodies, Government direct that the assets of the School should be conveyed to the Local bodies legally - vide, for ex-G.O. Ms.No.3193 Education dated 1-12-50 relating to the transfer of the Srivivekananda High School, Ganapavaram to the management of the District Board, West Godavari. But no such specific direction was given either in the case of Sandur School (vide G.O.No.1968 Education dated 8-7-50) or in the case of Banganapalle Secondary Schools. However, it is submitted that the original management of the School viz., Sandur State is now defunct. The District Educational Officer, Bellary was in charge of the School as a transitory measure, till the

the school was taken over by the District Board. It is, therefore, not clear whether it is necessary for a registered deed to be executed in the matter, since the original management of the school viz., Sandur State is not in existence now. However, it is the school building association that handed over the building to the District Board-vide, in this connection, letter Rc. No.7678/50 dated 16-11-50 of the President, District Board, Bellary addressed to Government. If this Committee is considered as a proper party to enter into the conveyance deed a registered deed can be got executed from it. In any case, it appears desirable to obtain legal opinion in the matter. The President, District Board, Bellary may, therefore, be advised to obtain legal opinic in the matter and act accordingly.

(R) 26

According to the Government Memo. No. 5829.B/50-5 Edn., dated 12.6.50, the fixation of the pay of the staff in the school has to be done with effect from 1.9.1949 and in consequence, the differences of pay and allowances have to be paid to the staff with effect from that date viz., 1-9-1949. Since nothing is mentioned in the Government Memo., to the contrary, it is presumed that the intention of the Government is that arrears of pay and allowances arising as a result of the fixation of the pay should also be paid to the staff with retrospective effect (from 1-9-1949). It is true that the school was taken over by the District Board only from 1-8-1950, but the point is, it was under the Management of Government till that date (it was in charge of the District Educational Officer, Bellary) only as a transitory measure pending the decision of Government in regard to the transfer of management of the school. Since the school has now been taken over by the District Board, and since the President, District Board is now fixing the pay of the staff in the school, the District Board may be advised to pay to the staff the arrear amounts with effect from 1-9-1949 and include the same in the Financial Statement of the school. It may point out in this connection that the District Board is now being paid teaching grant towards the maintenance of this school on full net cost basis - vide, G.O.No. 1968 Edn., dated 8..7..1950.

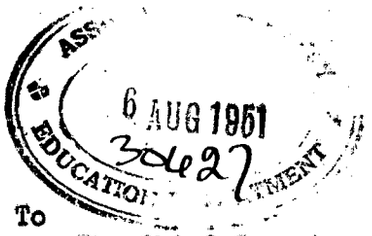
ASSISTANT SECRETARY 29 MAY 1957 19994 EDUCATION DEPARTMENT



Sandur,

Dated 30th July 1951.

To

The Chief Secretary to the Government of Madras,
Fort St. George, M a d r a s.

Through,

The President,
District Board, Bellary.

Subject:- Merged States- Sandur - refixation of salaries of the staff of the State High School (now under the management of the District Board, Bellary) -

Sir,

We, the undersigned, staff of Board High School (formerly State High School)Sandur, beg to submit the following facts for favour of your kind consideration and early orders.

2. We were employees of the former Sandur Government, being teachers of the then State High School. After merger of the State, the institution came under the management of the Madras Government. Then we requested the Government through the Director of Public Instruction to refix our salaries in the Government scales. But we were told that the question was kept pending final decision about the future management of the institution.

3. On 1-8-1950 Government have transferred the institution to the management of the Bellary District Board, directing (in a subsequent G.O.) the Board to absorb us in the Board service and to refix our salaries in the Board scales with effect from 1-9-1949 with weightage for past service. It is already one year since the Board took over the school and nothing has been done to refix our salaries. We are still drawing the old State scale of pay. In these extremely difficult days, we are finding it impossible to get on with our limited salaries. The indefinite delay in refixing our salaries has made us very much dejected and disappointed and we are afraid, has created a situation which will not be conducive to the efficient discharge of our duties.

4. We, therefore, earnestly pray that Government may be pleased to order immediate refixation of our salaries with effect from 1-9-1949, and payment of arrears,for which act of kindness we shall ever remain grateful to you.

Petition from the Secretary Prajaparishat Sandur dated 19-1-50

Please see the petition on page 1 C.F. The Vidyamandir is now run by Govt pending a final decision on the question of its future management. The Collector of Bellary was of the opinion that the school should be maintained by the Govt for a few years to maintain the existing standards. The D.P.I. has however reported that there is no necessity for the continuance of the school under Govt management. He has recommended that it may be transferred to the District Board, Bellary, subject to certain conditions. As it is not the policy of Govt to maintain secondary schools for boys under heir direct control, the D.P.I.'s view may be concurred in. A draft memo to the P.D.B, Bellary, is submitted below for approval. Public (Pol) and Finance, may see before issue.

With reference to secretary's query on page 1 ante it is submitted that the main advantage in transferring the management of the Vidyamandir (high school) Sandur to the District Board, Bellary, instead of running it as a Govt institution is financial saving. In his letter on pp 33-37 C.F. of Govt 2805 Edn 8-9-49 the D.P.I. has furnished a comparative statement of cost only in respect of teaching staff. He has not furnished figures in respect of non-teaching staff and on other items such as rents, taxes, ordinary repairs and upkeep, contingencies etc . The Director has (also not) furnished an estimate of the non-recurring expenditure . This may be called for. The proposal is to pay teaching grants to the District Board on the basis of the full net cost only for a period of three years from the date of taking over the management and afterwards the District Board will be paid only teaching grant on the basis of half the net cost and this will be less than the full cost of running the school by Govt.

2/ Secondly the present policy of Govt is generally not to run secondary schools for boys and the transfer of management of the school to the District Board will be in accordance with this policy and also in line with the action already taken in respect of schools in Bangalore

~~If the school is to be run as a Govt school the matter will have to go before the cabinet.~~ The DPI may also be consulted whether this high school may be substituted for one of the schools to be taken over from local bodies to provide facilities for lecturers in Training Colleges to serve in high schools which is under separate consideration

~~3/ A draft memo to the D.P.I. is submitted below for approval.~~

The D.P.I. has reported that the teaching grant payable to the Dt. Bd. Bellary on the basis of the full net cost of maintenance of the Vidyamandir,

is estimated at Rs 13,364/- while it will be only Rs 7,692/ para 2 on p8c at the end of three years when it is intended to reduce the basis of assessment of teaching grant to the school from full to one half of the net cost. If the school is to be run p9c directly under Govt management, it will involve an additional recurring liability of Rs 18,100. It will be observed 18,100 ultimate cost 7,692 ultimate ½ grant 10,408 that the transfer of management of the Vidyamandir, Sandur to the Dt Bd Bellary will result in a saving of Rs 10,400/- per annum at the end of three years when the Dt Bd will p9c receive teaching grant on the half cost basis. Similarly in regard to non-recurring expenditure also a saving of Rs 15,000/- can be expected as the Dt Bd will be eligible for a grant of Rs 15,000 (half the estimated expenditure) towards the expenditure on improvement of the building, playground and equipment of the school.

para 4 on p9c 2. Further, the Director considers that the Vidyamandir, Sandur is not quite up to the standard to be selected as one of the schools to be taken over by Govt. to provide facilities for lecturers in Training Colleges to serve in high schools. As it is the policy of Govt. to rely mainly on local bodies and private managements for the provision of facilities for secondary education especially for boys and as the Retrenchment & Reorganisation Committee had recommended that even the existing Govt Secondary Schools should be transferred to a non-Govt agency if it is willing to take over the management of such schools, the proposal to transfer the management of the Vidyamandir Sandur to the Dt Bd Bellary may be proceeded with. If the staff in the school pet ition for the grant of the Govt scales of pay on the ground that it was a state school, the question of permitting the Govt scales of pay to the members of the staff in the school at the time of merger as a special case may be considered later on. In the file relating to the representation of the Raja of Pudukkottai for the absorption of the teachers of the Edn. Dept of the defunct Pudukkottai State in Govt. service, this Dept observes that the assurance given by the ~~[illegible]~~ Rulers of the Merger States does not override the policy adopted by the Govt. in the management of the schools by different agencies, that there is no obligation or undertaking to absorb all State employees in Govt. service, and that the Govt. should have freedom either to sanction their employment in District Board or Municipal service if that is not agreeable to the employee, to pay them the necessary compensation as contemplated in Edn. with reference to the remarks of Edn at Z on f 3 above it may be stated that it is not necessary to give the State employees Govt scale while they are employed under the District Board, merely because they were employees in State Schools previous to the merger. If ~~the staff is District to~~ there is any loss in emoluments to the staff in ~~their~~ drawing allowances in Dt. Bd. 2. The Collector of Bellary was of the opinion that the school should continue to be under Govt management atleast for a few years to maintain the existing standards. The D.P.I. has reported that the school is not up to the standard to be selected as one of the schools proposed to be taken over by Govt inorder to provide facilities for lecturers in Training colleges to serve in high schools. He recommended that the school may be transferred to the District Board, Bellary subject to certain conditions and that the District Board may be paid as a special case teaching grant based on the full net cost of maintenance of the school for a period of three years from the date on which the management is taken over by the District Board. He has however no objection to the School being continued under Govt management if they are prepared to meet the extra expenditure.

3. The policy of the Govt is to rely mainly on local bodies and private managements for the provision of facilities for secondary education especially for boys. In the circumstances the Director's recommendation to transfer the management of the school to the Dt Bd was supported in this Department. Public (Pol) and Fin have also agreed to the proposal. The latter have also pointed out that it will not in any way be opposed to the assurance given by the Govt of India to the Rulers of merged states. They do not consider it necessary to allow to the staff the Govt scales of pay while they are employed under the District Board merely because they were state employees prior to the merger.

in the current year towards the cost of completion of the central hall for the school, fitting up doors and windows in one of the wings, levelling up the playground and towards purchasing certain essential articles of equipment. It is not possible to consider the question of giving a subsidy for any of these purposes in the current year. The PDB may be asked to submit separate applications for subsidy after getting the plans estimates for completion of the building approved by the DDI and after the indent for the purchase of equipment is prepared and approved by the Divisional Inspector of schools the application for subsidy towards the cost of levelling the playground should be accompanied by an estimate of cost.

3. The Staff of the Vidyamandir, Sandur, have represented that the condition in regard to their absorption in Dt Bd Service, laid down in Memo No 5829 B/50-3 Edn d/10-4-50 will cause them undue hardship. They have requested that their absorption may be in accordance with the principles laid down in G.O No 855 Pub (Poll) d/26-3-49 and that their salaries may be refixed with effect from 1-1-49. It is submitted that the intention is that the teachers should be absorbed in the service of the Dt Bd only according to the principles laid down in the Pub (Poll) G.O referred to above and the condition referred to by the teachers only elucidates the manner in which their seniority should be fixed vis-a-vis that of the existing employees of the Dt Bd. The salaries of the teachers have also been ordered to be refixed with effect from 1-9-49 as in the case of the Sandur State servants in other departments. In regard to their request regarding pensionary benefits, it is submitted that they will be governed by article 8.04 of the C.S.R. In the circumstances, the proposal of the Dt Bd Bellary to take over the management of the Vidyamandir at Sandur may be approved.

From the D.P.I., No.1457-G2/49, dated 7-1-1951.

Schools - Secondary - Defunct Sandur State Vidyamandir High School - Transfer of the building to the District Board, Bellary.

In G.O.No.1968-Edn., dated 8-7-1950 the Govt. sanctioned the transfer to the Dt. Bd., Bellary, of the management of Vidyamandir High School formerly maintained by the now defunct Sandur State, together with staff, building and equipment. The school was taken over by the Dt. Bd. with the staff and equipment. As regards the building it was reported that the building was vested in a local committee (which presumably was reponsible for its construction.) The question was raised whether the committee should transfer the building to the Dt. Bd. through a registered deed. The D.P.I. was asked to examine the need for such a transfer having regard to the practice followed in the case of transfer of institutions with buildings in the States of ~~Pudukottai and~~ Banganapalle to the Dt. Bds., ~~Tiruchirappalli and~~ Kurnool. The D.P.I. (reply is in the name of the) is not sure of the position. He suggests that legal opinion may be obtained in the matter. The building has come into possession of the Dt. Bd., it having been handed over by the Committee to the Dt. Bd. The question ~~xxx~~ now arises ~~is~~ whether a registered deed is necessary to make the transfer legal. The Legal Dept. may be requested to advise in the matter.

~~of the Vidyamandir School building belonged to the Sandur State Govt.~~ But at M on page 38 c.f.of that G.O.it is stated by the Headmaster of that School that the building belongs to the Building: Committee,Sandur. Education may verify in the first instance which of the above statements is correct. If the Sandur State owned the building, then under Article 5(1) of the States' Merger(Governors' Provinces)Order,1949 that property will automatically vest in this Govt. If it is not the property of the Sandur State Govt,it is not clear how this Govt. ordered the transfer of private property to the Dt.Board, Sandur, unless the Building Committee wanted to transfer the property to this Govt.either by way of gift or otherwise. Without information on the above points it is not possible to advise in the matter. Education may therefore obtain the necessary information in the first instance.

It is presumed that the point referred to this Department by Education is whether the Building Committee, Sandur, which has agreed to transfer the building and the site to the Bellary District Board should do so by a registered deed - please see A on page 1 ante. That the building and the site belong to the Building Committee appears to be common ground. For the validity of the transfer of the building and the site by the Building Committee to the District Board, a registered instrument seems to be necessary.
